Joel,
this Have been this summer and be easy on the girls
Sandy

Well done work to hard on the paper in this summer and take it easy
Bob

Be good this summer and have fun. Good luck next year.
Malen

Joel_
Work hard on your route and you'll get ahead. I'll leave it up to you!
Dick

Joe!,
I hope gym class kills you next year.
It will feel funny next year without being in the good old gym. Best of R[illegible]
Gary,

The End.
Dave Coley

Take it eazy in Gymn class next year! "I know you will"
Clarence Severson

Joel
Don't work too hard this summer.
Have fun; enjoy it while you have chance and put your nose to the grindstone again next fall
Denny Paulson

"Joel"
Don't work to hard this summer
Have a good vacation
Rick P[illegible]

"Joel"
Don't work to hard and have lots of fun.
Best of luck to a swell kid.
Fritz P.

You're one of the nicest guys I know, Joel. Good luck in the rest of high school, and have fun this summer.

Lindy

There
goes boys, lord!
Middle of the road
non-offensive yellow speeder.
Great scot what is it!
Be good. Thanks for everything
Joel, Best luck
always to a real
swell guy. You like
pep going
this and you'll
have a hard time
keeping the girls
away. Dave K.

Joel don't get into
to much trouble
and be a good kid
Dan

Abner has been here
(you lucker)
Dave Kelly

Joe,
Maybe
we'll have
another study
hall together
year. Since there won't
be any more freshmen
I'll probably get to
know you better
Mack

Joel

Don't pick on
your sisters too
much this summer

Tony

Listen kid! Do you want a fight?

I don't. -

Dedication

For his willingness to help others, for his guidance as a class adviser, for his patience and diligence in coaching baseball, "B" squad football, and junior high basketball, and for his loyalty to Hudson High School, we, the TRUE BLUE staff of 1963, affectionately dedicate this book to MR. FLORIAN CASSUTT.

The Board of Education

Second Row: Norman Gilbert, Dr. P. A. Tweet, David Kelly. *First Row:* Superintendent E. P. Rock, James Ostby, Byron Spalding.

Five citizens of Hudson make up the Board of Education of the Hudson Community Schools. Its duties include laying out and adopting a budget, hiring faculty members, and establishing policies of the school.

On behalf of the student body, we wish to express our thanks for their enthusiasm and hard work to Norman Gilbert, president; Dr. P. A. Tweet, treasurer; Byron Spalding, clerk; David Kelly and James Ostby, directors.

Mr. Rock

Greetings:

This will constitute my fortieth message to the youth of our high school. Each succeeding year has witnessed growth in numbers, a speeding up of scientific, economic, and political developments. In other words, life becomes a little more complicated and intensive each year. Our application to learning must necessarily become greater and must change to meet new developments and conditions. We must know more today and condition ourselves better to live in a more complicated society.

The great thinkers and philosophers of the past and present have always given us a basis for successful living in any society. If we would but acquaint ourselves with and live their advice, we should find life easier to live successfully.

"In vain we call old notions fudge,
And bend our conscience to our dealing;
The ten commandments will not budge,
And stealing will continue stealing."
— LOWELL

"There is a destiny that makes us brothers:
None goes his way alone:
All that we send into the lives of others
Comes back into our own."
AUTHOR UNKNOWN.

Edward P. Rock

Mr. Heiting

Since education is a lifelong process, the best our school can do for you is to help bring you some of the conceptions of how much there is to know, and, in fact, how little any one of us does know. The role of the school becomes increasingly one of equipping every student with the skills, resources, and understanding which will enable him to investigate a field and continue to educate himself. Thus, if we have been successful in keeping you humble enough to recognize your limitations, and at the same time quickened within you an unquenchable desire to push on in your search for truth, we then feel we have helped you on the journey in this lifelong process.

Do not leave high school feeling that you are now an educated person. The future will bring this out. I trust you will leave with a more passionate desire to pursue knowledge and be better equipped to do so.

Memoirs of the Class of '63 in Four Volumes

The world was built on imagination. Since this is so, our class could produce a whole new world by itself. An outstanding characteristic of the class of '63 has been its balanced achievements in extra-curricular and academic activities.

VOLUME ONE "GRASS ROOTS" by
David Olson, Donald Scholl, Trudy Fatheree, Elizabeth Randall, and Rita Daniels

Dedicated to Warren Fegley

We entered high school with the shield to protect us from doing too much wrong. The shield that represents Hudson High School has three separate symbols on it. We learned that the lamp was the lamp of learning, the fleur de lis represented citizenship, and the torch symbolized scholarship. These three signs are the foundation of a good education. In general science we studied about weather and the structure of the atom. We wrote our first long themes about three vocations of our choice in civics class. Another new venture was a detailed study of the novel, *Great Expectations,* in English I.

VOLUME TWO "ROOTS EXTENDED" by
David Olson, Donald Scholl, Trudy Fatheree, Anna Lee Lomnes, and Rita Daniels

Dedicated to Herbert Tatley

By the time we were sophomores, we looked toward the shield as our future goal and strove to make ourselves worthy of that goal. A step farther in our education, our choice of studies was still rather limited. Everyone took world history, English, driver education, and biology. Our minds were crammed with the many parts of a car and more complicated parts of living organisms. We planned a class dance, "Hush Days."

VOLUME THREE "UPWARD AND ONWARD" by
Gregory Brown, Madelyn Bunce, Mary Jensen, Lynn Spalding, and Brian Hayes

Dedicated to Frederic Johnson and Herbert Tatley

We were one year closer to our goal. This year we grasped our shields in the form of class rings. As upperclassmen, our program of study became more varied to suit individual requirements and desires. Class members majored in the fields of commercial arts, science, industrial arts, social science, and math. United States history and English were our only required subjects. We will never forget the detailed history notebooks we had to keep and our long English themes about some country in the world. Our second class dance, "Beatnik Bounce," was enjoyed by all. Every junior was proud of the Junior-Senior prom. The gymnasium was decorated in Oriental style for the theme, "Shangri-La."

VOLUME FOUR "THE FINALE AND NEW HORIZONS" by
Gregory Brown, Gary Bertelsen, Mary Jensen, Trudy Fatheree, and Brian Hayes

Dedicated to Frederic Johnson and Miss Isabel Urbanz

Our senior year started off with a new spirit of togetherness. We combined our efforts and won the Homecoming trophy. The senior class play, "Stag Line," was a big success. This year everyone took English IV as a graduation requirement. Some of the prescribed electives were physics, advanced math, social problems, and agriculture. Physics students learned about the causes for many of the wonders in the universe. Everybody in social problems took an imaginary gamble on the stock market. Our boys in agriculture became well informed about farm management and growing crops. Each senior became an expert on the topic he chose for his long English theme.

Looking back on the past four years, we sincerely believe we have reached our present goal and can now wear our shields as a sign of achievement.

Student Council

"Will the meeting *please* come to order?" was a phrase commonly heard by the thirty members of the Student Council of Hudson High School this year. Homecoming, the Sock Hop, Sno-Days, Twerp Season, and American Field Service were the big projects of the Student Council this year. The members worked hard to make these activities a success.

The members on Student Council represent the advisory groups and classes. Their aim is to promote a spirit of good fellowship and cooperation throughout the school. All-school committees are set up by Student Council to help activities function more smoothly.

A roaring fire and blending voices set the scene.

An impromptu outdoor concert

The Band Trip

Early on the morning of June 8, 1962, the Hudson High School band boarded two Lee buses bound for Fort William, Canada, as this was the year for the long awaited band trip.

Later that day the band arrived at Lutsen, a resort where they were to stay that night. After getting all settled and changed into uniform the band went to Grand Marais for the first concert. After the concert they returned to Lutsen and a swim in the beautiful heated pool.

The next morning the band again set out in the buses, this time bound for Fort William. After playing two concerts for the friendly Canadians and spending a night in cabins at Chippewa Park in Fort William, the band retired to the Gunflint Trail.

The next four days were spent in leisure and fun at the Gunflint Trail Lodge. Among the activities that were enjoyed were tennis, shuffleboard, horseback riding, boating, canoeing, and for the brave ones, swimming and waterskiing. Some special events during the fun filled days were a boat race, weiner roast, and a dance featuring a limbo contest.

This was a trip that the band members will never forget. Their thanks go to Mr. McMillan and the Band Parents, who helped make this trip possible.

Our patient chaperones.

The art work was superb. Each Vocal Ensemble sang a number connected with one of these pictures. As the lights in the auditorium faded, the audience saw one of the pictures illuminated by a spot light as an ensemble sang. It was very beautiful and impressive.

Annual Christmas Concert

The Nativity Scene was beautiful.

"Oh, come all ye faithful, joyful, and triumphant." As the processional, these lines of this famous Christmas carol opened the annual Christmas Concert on December 16, 1962, in the Oak Street Auditorium. Under the direction of Miss Margaret Dorwin and Ernest McMillan, the concert got under way.

First to convey the spirit of Christmas through song the Junior High Chorus sang "We Wish You a Merry Christmas," "Ring Those Christmas Bells," and "Rudolph, The Rednosed Reindeer."

The Boys' Glee Club sang "Sleigh Ride," and then in a more serious vein, "Behold That Star," and "God Rest Ye Merry Gentlemen."

Next the audience heard the voices of the Girls' Glee Club sing "Christmas Song," "And the Glory of the Lord," "Rise Up Shepherds," and "Gloria in Excelsis Deo."

The ensembles followed with "Hear the Bells," "Innkeeper's Carol," "Shepherds Awake," "Carol of the Bells," "Angels O'er the Fields," and "No Candle Was There and No Fire."

The voices of the Mixed Chorus then joined together to sing "Cradle Hymn," "Carol of the Drum," and "The Nutcracker Suite." The alumni joined them, and they sang the stirring "Halleujah Chorus" from Handel's "Messiah."

As the Mixed Chorus members returned to their seats the favorite of all hymns, "Silent Night," was sung by the audience and all the members of the music department.

When all was silent, the strains of "O Holy Night" were heard from the stage. Slowly the curtains opened to reveal the impressive Nativity scene.

As the curtains closed to bring an end to the concert, everyone had a little more of the joy and peace that only Christmas can bring.

Senior Girls' Athletic Association

To arouse an interest in sports, to promote a high standard of conduct for girls, and to promote all school activities are the aims of the Senior Girls' Athletic Association.

The members have developed a better understanding of the major sports by practicing the sports both inside and outside of the club. They must earn one hundred points a semester by participation in sports outside of the club.

Activities this year included a formal candlelight initiation ceremony, followed by a supper furnished by new members; selling hot dogs and coffee at football games; and tournaments held between classes in the major sports.

The officers this year are president, Janet Samuel; vice-president, Cheryl Anderson; secretary-treasurer, Joan Roessler; point secretary, Mary Jensen. The adviser is Mrs. Okonek.

The Future Farmers of America, following their motto, "Learning to do, doing to learn, earning to live, living to serve" put in another active and worthwhile year.

The local Hudson chapter has many activities. This year they planted more trees on their FFA Agricultural Experimental Plot of land east of Hudson on highway UU. Another service given this year was the upkeep of the turf on the new football field. Several members exhibited livestock at the St. Croix County Fair, the Eau Claire Livestock Exposition, and other local shows. Robert Jacobs, Kemmen (Eddie) Atwood, and Dale Samuel attended the Eau Claire Exposition. The boys also attended various meetings and judged animals. The freshmen boys went to the River Falls Hog Show. Each spring an annual Parent-Son Banquet is held. Throughout the year they have had various fund raising projects in order to encourage thrift and savings among the members.

The main aim of the Future Farmers of America is the development of cooperation, agricultural leadership, and the citizen. The purposes of the organization are to develop competent, aggressive, rural, and agricultural leadership; to create and nurture a love of country life; to strengthen the confidence of farm boys and young men in themselves and their work; to create more interest in the intelligent choice of farming occupations; to encourage members in the development of individual farming programs and establishment in farming; to encourage members to improve the farm home and its surroundings; to participate in worthy undertakings for the improvement of agriculture; to develop character, train for useful citizenship and foster patriotism; to participate in cooperative effort; to encourage and practice thrift; to encourage improvement in scholarship; to provide and encourage the development of organized rural recreational activities.

Future Teachers of America

Under the watchful guidance of their adviser, Mr. Rock, the members of the Future Teachers of America strive for the goals outlined in their constitution. Among these goals are these five purposes: to learn about the teaching profession, its opportunities, responsibilities, and its important role in our democracy; to explore our own interest and abilities in relation to the various fields of teaching; to cultivate in ourselves the high qualities of personality, character, and leadership which are essential in good teachers; to learn how and where teachers receive their preparation, the cost scholarships available, the number of years required, and the certification requirements and standards; and finally, to study the lives and influence of great teachers.

The Ann Murphy Chapter of the Future Teachers of America is chartered annually by the National Education Association and the Wisconsin Education Association.

The members must meet two requirements to obtain and hold their membership in the organization. The students must be either second semester freshmen, sophomores, juniors, or seniors at our high school, and they must maintain a "C" average during the life of their membership.

Special committees such as the program committee and the publicity committee are elected or appointed to assist the officers in their duties.

The officers and adviser of the 1962-63 school year are president, Janet Samuel; vice-president, Joyce Roessler; secretary, Trudy Fatheree; treasurer, Janet Soule; librarian, Joan Roessler; adviser, Mr. Rock.

True Blue Annual Staff

Standing: Bonita Gilbert, Jennifer Starr. *Seated:* Madelyn Bunce, Marshall Simpson, Karen Fyksen, Lynn Spalding, Juliette Kirchoff, Anna Lee Lomnes.

Under the guidance of Mrs. Gilbertson, the staff adviser, the thirty-five members of the True Blue annual staff produced a memorable True Blue for the students of Hudson High School. Arranging picture schedules, planning the yearbook, identifying and cropping pictures, writing stories, proof reading copy were among the many jobs of the staff members and adviser. With much hard work, the deadlines were met.

As co-editors, Anna Lee Lomnes and Lynn Spalding, got the annual work under way, they were assisted by Juliette Kirchoff and Jennifer Starr, junior editors. Madelyn Bunce and Bonita Gilbert, senior business managers, and Karen Fyksen and Marshall Simpson, junior business managers, took care of the sales campaign.

Other members of the staff included Janet Samuel, Janet Soule, Gregory Brown, Berta Rogers, Trudy Fatheree, senior editors; Linda Bailey, Catherine Petersen, sophomore editors; Linda Hayes, Phyllis Jensen, freshmen editors.

Sally Johnson, instrumental music; Pamela Johnson, vocal music; Herbert Carmichael, forensics; Rita Daniels, Linda Rogers, feature writers; Jon Graham, artist; James Menter, football; John Linehan, basketball; David Olson, track; Robert Miller, wrestling; Jan Svare, baseball; Philip Scheide, junior high sports; Sharlene Bearrood, junior and senior G.A.A.; Judith Stohl, Linda Laughnan, Mary Ross, Judith Vier, Deedra Leonard, typists.

With a great deal of pride and satisfaction, the staff completed an impressive yearbook.

True Blue Times

"Where should we put this picture?" "We need three more lines to fill this column!" "Where is that basketball story?" "Oh, no! I just ruined this stencil!"

Familiar words? They certainly were to the harried staff of the True Blue Times and indicated to a small degree the work, worry, and frustration involved in meeting that all-important deadline.

Since the True Blue Times was an extra-curricular activity, all article writing, proof reading, typing, make up, stencil cutting, and printing had to be done outside of class time, and staff members often found themselves caught in that squeeze between class assignments and newspaper assignments.

Regularly, every three weeks, lights burned long into the wee hours at the homes of co-editors Madelyn Bunce and Janet Soule, indicating their frantic, final attempt to make a newspaper from articles submitted by Karen Asplund, Jean Cameron, Herbert Carmichael, Rita Daniels, Gretchen Dicke, James Fina, Bonita Gilbert, Mary Hofland, Ann Heywood, Marlys Johnson, Pamela Johnson, Sandra Lamberta, Nancy McDonell, Julie Omvig, Catherine Petersen, Carolyn Ross, Marshall Simpson, Jennifer Starr, and Margaret Vye.

The dummy sheets then were given to Mr. Fegely and his typing staff Margaret (Susie) Cameron, Gloria Johnson, and Janice Reese. Barring mimeograph machine breakdown, with the help of Gregory Brown and Daniel Anderson, the publishing staff, the True Blue Times finally went to press.

Friday afternoons, as each student eagerly read his copy of the True Blue Times, little did he realize the "blood, sweat, and tears" that went into the latest edition.

Stag Line
Senior Class Play

"— and they lived happily ever after."

"Now I have to tend to business of my own." "And just what is that?" "Oh, nothing much, just managing a wedding, managing a private campaign of my own, and now managing you!"

"Stag Line" written by Anne Martins was given as the Senior Class Play of Hudson High School, on November 29. This is the story of Maudie Mason (Janet Soule) as she tries to manage the wedding of her sister, Sylvia (Margaret Vye), conduct her own private campaign to capture Mac (Gregory Brown), the best man, and Americanize a foreign-educated house guest (Robert Miller).

Mrs. Mason (Mary Ross) had never heard of "man chasing". She became upset when Maudie dropped her old boyfriend, Davy (George (Jerry) Hopkins), and began organizing Sylvia's wedding. Poor Mr. Mason (Daniel Anderson) did not think anyone in his household knew of the word "economy" in planning a wedding. He got little moral support from Davy or Chi (Brian Hayes), one of Davy's pals.

Maudie's fatal mistake was having Davy deliver a wedding invitation to Mrs. Farrington Smith (Bonita Gilbert). Davy delivered the invitation to the wrong Mrs. Smith. He took it to Smitty (Madelyn Bunce), the dressmaker. Confusion at the Mason residence resulted in the mix-up of two gift cards. Everyone thought Mrs. Farrington Smith had sent a cook book instead of a beautiful silver cake plate.

Jerry (James Menter), a young architect and Sylvia's fiance, became so exasperated and confused with Maudie's tactics, that at the last minute he decided not to marry Sylvia. He thought Sylvia loved Mac. To top it off, that "manager," Maudie, had lost him his best client, Mrs. Farrington Smith.

Everything was straightened out just before the wedding. Mrs. Farrington Smith received an invitation, and Jerry was convinced Sylvia did love him. The bridesmaids, Carol (Mary Miles) and Ting (Virginia Woodruff), and Maudie's friends, Julie (Anna Lee Lomnes), Alix (Julie Omvig), and Lysbeth (Judith Vier), each brought a blue garter for the bride. Maudie sewed the five garters together to make sure Sylvia did not lose any of them.

The wedding promised to be a success as Margaret, the maid (Janet Samuel), started crying, and an usher (Robert Melton) arrived at the church.

The faculty adviser was Frederic Johnson while student directors were Rita Daniels and Berta Rogers. Business managers were Donald Scholl and Susan Stewart. Lynn Spalding was chairman of the make-up committee. Stage hands were Peter McMillan, James Bryce, and Robert Jacobs. Trudy Fatheree and Karen Agema acted as prompters.

Raider Football - '62

Coach Carver Fouk's Raiders began practice two weeks before school reopened with thirteen returning lettermen: Dave Olson, Bob Jacobs, Bob Wagner, Pat LaFaye, Jim Menter, Dan Anderson, Jack Linehan, Brian Hayes, Dick Newton, Bob Miller, Rod Ebben, Tom Edin, and Gary Knefelkamp.

The Raiders opened the season by falling before a large Chaska, Minnesota, team. Two touchdowns, one on a four-yard plunge and another on a 50 yard pass interception, and one conversion set the score at 13-0. Inexperience on the part of Hudson was the main factor in the defeat.

Hudson's first win came against New Richmond the following week. Three touchdown runs of 42, 62, and 47 yards by Jim Menter and one conversion by Al Stendahl accounted for Hudson's score of 19. New Richmond pushed over a touchdown from the one-yard line in the second period to account for its only score.

Hudson kept rolling against Baldwin-Woodville to hand the favored team in the conference its first defeat. A touchdown by Dave Olson on a pass from Al Stendahl and the conversion by Jim Menter gave Hudson an early lead. Baldwin came back with a TD to finish the scoring in the first half which was played on Friday night. Due to a power failure during half time, the second half was played the following Saturday afternoon. Hudson dominated this half. A touchdown on a pass interception by Jack Linehan, another touchdown by Dave Olson on a pass from Al Stendahl, and two extra points by Jim Menter set the final score at 21-7.

The Raiders next dumped Glenwood City 28-13. Glenwood City scored first, but a touchdown by Al Stendahl evened the score at half time. In the third quarter Jack Linehan scored on a 28 yard pass play. Two more touchdowns by Jim Menter and a touchdown on a pass interception by Glenwood City concluded the scoring. Hudson had a victorious Homecoming against Colfax in a largely defensive battle. Jim Menter made the only touchdown on a ten-yard run and also made the extra point. In the second half Hudson threatened three times, but each time the drive was stopped by fumbles or penalties. The final tally came on a safety when Brian Hayes trapped the Colfax punter in the end zone for a score of 9-0.

The Raiders kept rolling against the Spring Valley Cardinals by handing them a 27-0 defeat. Hudson finished out the first half with 14 points on touchdowns by Jim Menter and Al Stendahl and two conversions by Menter. In the second half Stendahl and Menter each crossed the goal line again. A conversion by Randy Deal finished the scoring. The defensive team played a hard-hitting game which completely shut out the Cards.

Hudson routed a weak River Falls' team in the annual battle for the "Little Brown Jug" and avenged last year's defeat which beat the Raiders out of the conference championship. Jim Menter raced 72 yards for a TD in the first quarter to give the Raiders an early lead. Two touchdowns by Al Stendahl, one on a sneak and one a 35 yard pass play from Mike Mayer, and an extra point by Randy Deal set the half time score at 19-0. Hudson came back in the second half to assure its win with touchdowns by Randy Deal and Pat LaFaye and a conversion by Harry Silvernale, which set the final score at 32-0.

The Raiders won the first conference championship since 1955 with a win over the Ellsworth Panthers in the final game of the season. Jim Menter opened the scoring with a two-yard touchdown plunge and a conversion. Later in the second quarter Ellsworth tied the score. Jack Linehan grabbed a 20-yard pass in the end zone to finish the first half scoring at 13-7. Hudson completely dominated the second half with touchdowns by Menter and Stendahl. The final touchdown came on a 28-yard pass interception by Harry Silvernale to end the game at 31-7.

The Raiders finished the season with a 7-1 record as last year, but this year the one loss was non-conference, and the Raiders became the Middle Border champs. Seventeen seniors played their last game for Hudson: co-captains Dave Olson and Jim Menter, Bob Wagner, Bob Jacobs, Pat LaFaye, Jules Jensen, Greg Brown, Bob Melton, Dan Anderson, Brian Hayes, Jay Livermore, Paul Kramer. Dick Newton, Bob Miller, Rod Ebben, Gary Knefelkamp, and Gary Bertelsen.

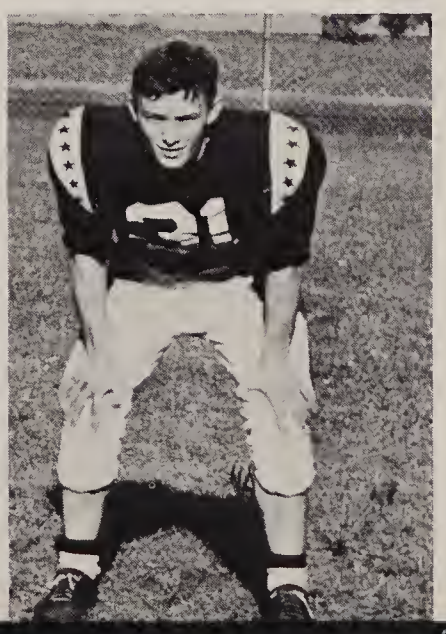
Pat LaFaye - 5'6", 140 pounds . . . A two-year letterman . . . Pat played fullback. He could always be counted on to take over and do a good job.



Homecoming 1962

"Remorse the Norse" was the slogan, and Colfax was the opponent. This was the situation as the 1962 Homecoming got under way. Mrs. Sullivan as faculty adviser and Trudy Fatheree as student chairman supervised a week of feverish activity preceding the big night. Floats had to be designed, windows decorated, and skits prepared by each class.

October 4 came much too soon. The parade wound its way around town, forming a long string of floats including former Homecoming queens, Raidettes, band, and cheerleaders. The highlights of the parade were the five queen candidates: Rita Daniels, Mary Jensen, Linda Laughnan, Janet Soule, and Virginia Woodruff. The juniors won first prize in float competition, and the seniors won the window painting contest. The next day, the sophomores got top honors with their skit during the pep assembly.

October 5 was a clear, cold night for the game. While the players were warming up out on the field, the seniors were presented with the winning trophy. Mary Jensen was announced as the 1962 Homecoming Queen by Jolene Anderson. Mary started the game by handing a football to co-captains Jim Menter and Dave Olson. The Raiders proceeded to "Remorse the Norse" in a 9 to 0 victory. Jim Menter scored a touchdown, and Colfax was pushed back across her own goal line for a touchback.

Hudson celebrated its success at the dance afterward. At 11:00 Mary Jensen was crowned queen of the 1962 Homecoming.

"B" Squad Football

The Hudson "B" Squad compiled a fine 2-1-1 record this season. The scores of the games indicate that the Bees had an excellent defense and a fairly good offense.

In the first game of the season, played at Baldwin, the Bees gained a 14-7 victory. Bill Burke and Larry Peterson scored for the Raiders, and Burke added both conversions.

The Raiders suffered their first defeat in three seasons when they fell before Ellsworth by the score of 7-0.

In another home game, the Raider Bees put on a offensive show as they trounced the River Falls Wildcats by the score of 21-7. Bill Burke, Raider fullback, scored two of the touchdowns, and quarterback Larry Peterson sneaked over for the other score. Another Raider scoring play was called back because of a penalty.

New Richmond and Hudson fought to a 6-6 tie in the Raiders' final game of the season. Larry Peterson connected with Cliff Bakke on a fifteen-yard pass play for the lone Bee touchdown.

Outstanding players for the Bees were Bill Burke, Larry Peterson, and David Williamson in the backfield, and Cliff Bakke and Carl Strom in the line.

Left to Right: Paul Kramer, Kenneth Kaiser, John Linehan, Daniel Anderson, Jon Graham, Terry Weiss, Robert Jacobs, Thomas Edin, Harry Silvernale, Michael Mayer, James Menter, Allen Stendahl, Jules Jensen. *Back Row:* Coach Carver Fouks, Manager Dan Utterback.

Basketball 1962-63

Coach Carver Fouks welcomed six returning lettermen from the 61-62 Middle Border and Regional Championship squad. Along with captains Paul Kramer and Ken Kaiser were Jim Menter, Bob Jacobs, Dan Anderson, Jack Linehan, and a River Falls prospect Jules Jensen. Rookies up from the undefeated "B" squad were Al Stendahl, Mike Mayer, Jon Graham, Tom Edin, and Harry Silvernale.

The Raiders opened the 62-63 season with a 48-29 victory over St. Croix Falls. This game set the pattern for the Raiders. After losing to St. Louis Park and Baldwin, they won 12 straight games and the Middle Border Conference championship for the second straight year.

Hudson entered the tournament very optimistically. The high flying Raiders downed five straight opponents as they won the Regional and Sub-sectional tournaments before losing to a towering and talented Superior Central five, rated second in Wisconsin, 72-60.

The Raider squad improved far beyond most expectations due to the tremendous desire and hustle of its members. The team had two goals to achieve during the season: One was to win the conference championship and the other was to be among the eight elite teams to play at the state tournament. The conference trophy was reached; but as last year, the Raiders had to settle for Sectional Runners-up.

"B" Squad Basketball

The Hudson "B" squad suffered heavy losses and compiled an 8-9 record this season. The veterans from last year's team, Larry Peterson, Robert Olson, William Burke, and Carl Strom, along with a large group of freshmen led by David Williamson, Bruce Ostenson, Richard Posz, and Arthur Coulter were the mainstays of this year's club.

The leading scorers for this year's team were Bill Burke, 124 points; Bob Olson, 86; Dave Williamson, 80; Larry Peterson, 68; and Bruce Ostenson, who had 46 points.

In the first game, played at St. Croix Falls, the Bees won a thrilling overtime victory 31 to 28. The leading scorers in this game were Bill Burke and Bob Olson with 9 points and Larry Peterson with 8.

In the first game of the season played at Hudson, the Glenwood City Bees handed the team its first defeat of the year. The score was 31 to 26. Bill Burke again led Hudson with 9 points. Larry Peterson contributed 6 points to the Raider cause.

The Bees traveled to River Falls and lost another tight game 24 to 19. In this hard-fought defensive battle, Bill Burke and Bruce Ostenson led Raider scorers with 8 and 5 points respectively.

Playing on the home court, the Raiders and the Spring Valley "Cardinals" played a low-scoring game in which neither team could start up an effective offense. The Raider Bees finally lost 15-13. Art Coulter put in 6 markers for the Raiders.

Hudson next traveled to Baldwin, where the team lost a 37-27 decision to the Baldwin-Woodville Bees. Larry Peterson led the team with 6 points, and Dave Williamson and Art Coulter each contributed 5.

The "B" team won its first conference game of the season at Ellsworth, when it squeaked out a narrow 27-25 victory. Bob Olson scored 10 points, and Bill Burke added 7.

The next night at Menomonie in the second non-conference game of the season, the Raiders put together its best offense of the year, but the defense faltered and the Bees lost 54-47. Bill Burke had 10 points and Bob Olson had 6 for the Raiders.

During the Christmas vacation, the Bees traveled to New Richmond where the team lost to the Tigers 55-23. Bob Olson led the Raider attack with 9 points.

Hudson scored its third victory of the year at home against the Colfax "Vikings" 47-25. Bill Burke had his best scoring night of the season when he scored 24 points.

In the next game, played on the Glenwood City court, the Raiders lost a tough decision to the Hilltoppers 43-39. A second half rally led by Bill Burke and Dave Williamson fell only four points short. Bill Burke and Bob Olson took scoring honors for the Raiders with 10 points each. Dave Williamson finished the game with 8 points.

Playing on the home court, the Raider "B" squad defeated the River Falls "Wildcats" 21-15. Bill Burke again led the scoring with 7 points.

The Bees won the second overtime victory of the year at Spring Valley 45-43. Bob Olson had his best scoring night of the year with 12 points. Dave Williamson had 10 points and Bill Burke had 8.

The Raiders lost to Baldwin-Woodville 33-21. The Raiders had balanced scoring with Dave Williamson leading with 9 points.

The Raider Bees scored the fifth victory of the year by winning a hard-fought battle with the Ellsworth "Panthers" by the slim margin of one point, 32-31. Dave Williamson and Bruce Ostenson led the team with 11 and 10 points respectively.

The Raiders scored the second victory in as many nights as they defeated the Menomonie "Indians" 43-35. Dave Williamson continued his hot shooting with 13 points, and Bill Burke added 12 markers.

Hudson scored its third consecutive victory at home, by beating New Richmond 44-39. This victory avenged an earlier one-sided loss to the Tigers. Bill Burke led Raider scorers with 12 points. Larry Peterson hit for 10 points.

In the final game of the season, the Bees lost to Colfax on the Vikings' court 44-16. Ricky Posz led Hudson with 6 points.

"A" Squad Wrestling

Amidst the seemingly tangled mass of arms and legs, the Raider grapplers fought! The Raiders' season record, under the coaching of Mr. Kadidlo, was three wins and seven losses. Although the boys lacked experience in a few weight classes, they never suffered from lack of desire.

The Hudson matmen first tasted tournament competition at the River Falls Invitational held at River Falls on January 12, 1963. The Hudson grapplers placed eighth with a total of 25 points. Kenny Wert (120) battled his way to a fourth place, and Gary Knefelkamp won the 138 pound class and brought back the only championship to Hudson.

At the Middle Border Conference Wrestling Tournament Hudson finished third out of the seven schools present, with a total of 50 points. Hudson's points came from three third places, two seconds, and one first. Wagner (112), Severson (145), and Hayes (180) fought to get thirds in their respective divisions. Sauntry (103) and Miller (127) battled to get seconds, and Gary Knefelkamp (138) was the only Hudson matman to win a championship.

The Regional Wrestling Tournament was held at Ellsworth where Hudson placed fourth out of seven schools represented with 34 points. The Raiders received one third, two seconds, and one first. Tom Sauntry (103) won a third for Hudson, while Bob Miller and Brian Hayes (heavyweight) won seconds. Gary Knefelkamp again was victorious, and won the championship of the 138 pound class. Gary, Bob, and Brian were the only wrestlers who were able to represent Hudson at the sectional, which was held at Amery. The champions and second place winners from here went to the state meet. Bob Miller, Gary Knefelkamp, and Brian Hayes were eliminated.

Track - '62

The 1962 track squad of Hudson High School entered eight boys in the finale, the State meet, at Hartford.

Probably their most decisive victory came at the Bloomington Track - o - Rama in which approximately one hundred schools were represented. The 440-yard and 880-yard relay teams each won second place in their respective events.

The next meet was the Little Olympics held at Menomonie. Two records were shattered by Hudson thin-clads. Gene Kidd humbled his own pole-vault record of 1961 by vaulting 11′ 4½″. Al Kohl broke the Little Olympics high jump mark by jumping 5′ 11″ and thus beating the old mark by two inches. Among the Raiders were three other individual champions: Gary Bertelsen, 440-yard dash; Den Benoy, high hurdles; and Don Scholl, low hurdles. The Raiders came out on top of the B-class schools as they added another win to their season's record.

The Middle Border Conference meet found Hudson coming out on top. Steve Ostby broke the 100-yard dash mark by running it in 10.5 seconds. Gary Bertelsen ran the 440-yard in a record time of 53.9 seconds and the 880-yard relay team of Bob Myrvold, Bob Jacobs, Steve Ostby, and Gary Bertelsen beat the old time by dashing the distance in 1 minute 37 seconds flat. Gene Kidd won the pole vaulting, and Den Benoy captured the 120-yard high hurdles as Hudson took the conference championship.

At the Sectional, Hudson had six individual champs: Gary Bertelsen in the 440; Steve Ostby, 100-yard dash; Den Benoy, high hurdles; Gene Kidd, pole vault; Al Kohl, high jump, and the 880-yard relay team of Myrvold, Jacobs, Ostby, and Bertelsen. As a team the Raiders took the Sectional.

The state qualifiers were the Sectional winners plus Don Scholl, who took a second in the low hurdles.

At the State meet Gene Kidd took third place while Al Kohl took fifth place as the squad ended a very successful season.

Second Row: Donald Scholl, Gary Bertelsen, Robert Jacobs, Mr. Kadidlo, coach. *First Row:* Dennis Benoy, Alfred Kohl, Stephen Ostby, Eugene Kidd, Robert Myrvold.

Den Benoy breaks the tape after jumping the high hurdles.

Al Kohl shows the form that took him to the state meet.

With the help of Bob Myrvold and the 880 yard relay team, H.H.S. won the Middle Border meet.

Gene Kidd breaks his own pole vault record.

The 1962 baseball season proved to be a short one, due to several factors. Rain, which caused re-scheduling and substitution of several games in addition to the cancellation of others, proved to be the main one. The other was the fact that we failed to get our registration for the tournament in on time.

Practice began in the gymnasium in late March. When the weather improved, the team practiced at Burton Field and returned to the gymnasium when it rained.

Though the team had good hitting and was usually able to build up substantial leads, erratic pitching proved to be the team's downfall. This year's pitching should improve with the addition of several underclassmen to the pitching staff.

The line-up looks stable with a good nucleus back from last year's team.

Forensics

The forensics students of Hudson High School began work on their speeches early in February with contestants trying out for the division in which they wished to participate. A week or so later, the students were chosen and ready to start the work of finding the proper selection, cutting, memorizing, and putting the proper emphasis in the right place.

The dream of every student was to go to the state contest held at Madison, Wisconsin. In order to do this a student had to receive an "A" rating at the league contest, held at Hudson on March 14, and at the district contest, held at Wisconsin State College at River Falls.

With the able help of the coaches, Miss Helen Hughes, Mrs. Frances Rolle, and Mrs. Mary Sullivan, the students did a good job on their speeches. The students who entered this year's contest divisions were oratory (4 minutes), Jennifer Starr, Anna Lee Lomnes; oratory (8 minutes), Margaret Vye, Trudy Fatheree; non-original oratory, Judith Vier, Herbert Carmichael; play reading, Peter McMillan, Jan Svare, Catherine Petersen, Linda Schullo, Susan Gustafson; declamation, Madelyn Bunce; poetry, Janet Soule, Rita Daniels; extemporaneous, Marshall Simpson, Arthur (David) Kelly; prose reading, John Rorvick, Berta Rogers; public address, Gregory Brown, Ann Heywood.

The work that was involved in this undertaking took much time not only on the part of the students but also of the teachers. All who participated agree that the experience gained was extremely worthwhile.

Gwat Ing Sie

This year our American Field Service representative in Hudson has been Gwat Ing Sie from Indonesia. She came halfway around the world to spend the school year with us. Ing says that the coldest place she had ever been before coming to the United States was an air-conditioned office in the American Embassy in Djakarta, Indonesia's capital city. For her, the weather was one of the hardest things to adjust to.

Ing is the third child in a family of eight in Indonesia. Here in Hudson she was one of two daughters of the Donald Lomnes family. Ing arrived in Hudson on August 29, and will leave on June 23. Before she returns to her own country she will go on an AFS bus trip with AFS students from other lands. The trip will end in Washington, D. C. where the students will be greeted by President Kennedy.

Ing says that there is really no difference between the people of her country and the people she has met here. They all worry and laugh about the same things. In Ing's country, bicycles take the place of the fleets of cars she has seen here in the United States.

The students of Hudson have enjoyed having Ing this year. We hope that she has enjoyed being here and has learned as much as her American friends have. Ing would like to keep in touch with the people she has met and would appreciate any letters. Her address is:

Madelyn Bunce

"When you leave a country, you leave behind something of your heart!" Madelyn Bunce found that part of her heart was left in Switzerland where she spent the past summer as Hudson's American Field Service representative.

Maddy arrived at her summer home on June 25. She lived in an apartment with the Walter Schaub family in the heart of the Alps. Her two sisters, Lucia, 13, and Marguerite, 20, planned a busy summer to acquaint their American "sis" with the Swiss people, customs, and traditions.

Mr. Schaub was an employee of the Swiss Federal Railway and Mrs. Schaub was an average Swiss housewife who had to manage her household without the aid of such conveniences as a refrigerator or washing machine.

Some of the highlights of her trip were a two weeks' stay at a Swiss farm and several small trips, including a visit to Geneva and Italy.

Maddy said,"The Swiss are wonderful, warm-hearted people, and it was a privilege and an experience I shall never forget."

Badger Girls' State

The American Legion Auxiliary, Department of Wisconsin, and the University of Wisconsin Extension Division co-sponsored the nineteenth session of Badger Girls' State held at the University in Madison June 9-17, 1962.

Our high school and community were represented by Rita Daniels, who was sent by the local American Legion Auxiliary. Rita was one of 448 girls who set up a mythical state, with governments existing on the city, county, and state level.

Although the program of Girls' State is not political in its functions, the two parties, the Nationalists and the Federalists, help the girls become better prepared for their responsibilities as good citizens. The girls developed a spirit of friendliness, responsibility, cooperation, and cheerfulness.

The girls attended lectures each day on different phases of the government and the citizen's role in the government. Their work included forming a constitution, making laws, and nominating and electing executive officials for each government level. A session of the Badger State Congress was held in the state capitol.

Badger Boys' State

Annually the American Legion sponsors Badgers Boys' State for boys between the ages of sixteen and eighteen. The purpose of this program is to educate the youth of today and the citizens of tomorrow in the rights, responsibilities, duties, and privileges of being a citizen of the United States. Last June Hudson High School was represented at Badger Boys' State by Gary Tweet. Gary was able to attend because of the support of the Parent Teachers' Association.

Boys from all over Wisconsin gathered in Ripon to obtain a better insight into the working of our state's political structure. They did this through attending party conventions and caucuses, and practicing the obligations and duties of government officials. Gary says that he was impressed by the political convention at which candidates for Boys' State governor were nominated.

After returning home, Gary was convinced that Boys' State had taught him a great deal.

David Olson

Representative Senior

To possess character of a quality in keeping with a student's age and training, to seek more knowledge with the guidance of parents, teachers, and superiors, to have a knowledge of right and wrong, to exhibit a certain degree of leadership and independence of others, to be able to live well with other people, to determine to lead a wholesome life, to be broadminded enough to appreciate that all work no matter how humble is as important for the welfare of a community as the position of higher rank are the worthwhile characteristics which a high school graduate should possess in the opinion of the faculty.

Because he possesses these qualities, David Olson has been chosen Hudson High School's representative senior for 1963. Football, baseball, wrestling, basketball, volleyball, track are the sports' activities in which he has participated during high school; and he was co-captain of the football team in his senior year. Student government, class officer in his freshman and sophomore years, member of the annual staff have been his special interests in addition to other extra curricular activities. His adaptability, scholarship, good citizenship, friendliness, and dependability make him the faculty's choice for the 1963 Representative Senior .

D.A.R. Award

The youth of today are our country's hope for future strength and progressiveness. A good citizen must possess the qualities of dependability, service, leadership, and patriotism. Recognizing the importance of good citizenship, the National Society of the Daughters of the American Revolution since 1935 has sponsored the D. A. R. Good Citizenship Pilgrimage. Each year one outstanding senior girl from each state is awarded a $100 bond and the honor of being D. A. R. Good Citizen of her state.

Our most outstanding senior citizen, Janet Soule, is Hudson High School's candidate for the 1963 contest.

Janet has been a dependable member of school clubs. She has been active in forensics, Student Council, choral and instrumental music, the class play, F. T. A., the True Blue Times Staff, and the Annual Staff. She has taken leadership responsibilities in her class and in her advisory. She has been a thoughtful, willing, industrious, cooperative, friendly, and loyal student of Hudson High.

Janet always gives loyal service to her family, community, church, school, and friends. For these reasons, the faculty presents the D. A. R. Good Citizenship Award of 1963 to Janet Soule.

Junior Girls' Athletic Association

The Junior Girls' Athletic Association is an organization for seventh, eighth and ninth grade girls who are interested in sports. Members of the ninth grade may participate in Senior G. A. A. sports after school to earn points toward awards. Junior G. A. A. promotes good sportsmanship and sets up a better understanding of athletics.

Initiation for new members was held on November 26, 1962, from five forty-five to eight p.m. New members furnished a box lunch for themselves and their initiators.

Other activities for the group included the annual Football and Basketball Dance honoring the junior high football and basketball players, and the Spring Dance. The girls earned money by selling hotdogs and coffee at the Homecoming game.

This year's officers are president, Linda Hayes; vice-president, Corrine Truen; secretary - treasurer, Karen Erickson; and point secretary, Janice Wert. Miss Hughes is the adviser.
